

NEW FORD FIESTA

Making your ownership experience even more rewarding

A great car is just the beginning. After you've bought your New Fiesta, we support you with a wide range of services that aim to make you one of the most satisfied vehicle owners in New Zealand.

Quality

We design and build your Ford to feel as good after many years of service as it did the day you picked it up. And to drive just as beautifully, too.

Sustainability

Using advanced technology, we're committed to creating vehicles with improved fuel economy, reduced CO₂ emissions and a lower overall cost of ownership.

Safe

Ford's Intelligent Protection System uses sophisticated technology designed to help prevent an accident and, if one should happen, to protect you.

Smart

Vehicles with smart, intuitive technologies designed to connect you to your world and many clever solutions from Ford that make life a little easier

3 Year/100,000km Warranty¹

Covers your New Fiesta against defects in factory materials or workmanship for the first 36 months or 100,000 kms – whichever comes first.

20,000 kms Service Intervals¹

Improved oil technology and engineering refinement has enabled Ford to offer normal scheduled service intervals of 20,000 kms or every 12 months whichever comes first.

Ford Roadside Assistance¹

For the first 36 months or 100,000 kms – whichever comes first, Ford gives New Fiesta owners complete peace of mind motoring with New Zealand's most reassuring roadside emergency service. Free accommodation or a free rental car are just some of the outstanding features of this unique service.

Five Year Perforation Corrosion Warranty¹

Covers the original vehicle's body against perforation corrosion for the first five years of its life.

Ford Customer Assistance Centre

You'll always find us responsive to your needs. Telephone 0800 FORD NZ (0800 367 369).

Finance and Lease Options

Choosing how to finance your vehicle is a major decision – My Ford Finance can get you the Ford you want, when you want it. Fully maintained or non-maintained operating leases remove the worry

of depreciation, inflation and more importantly do not tie up your capital in an asset. Other forms of financing are also available. Flexible deposits and repayment terms mean that a plan can be structured for your specific needs. See your Ford Dealer to discuss your financing or leasing requirements.

MY FORD FINANCE

Ford Solutions

You deserve to have a worry-free journey every time you set off in your Ford. Ford Solutions provides you with a 'no problems' solution tailored to suit your lifestyle. The range of services includes:

- Motor Vehicle Insurance – Three levels of cover offer you hassle-free insurance coverage
- Guaranteed Asset Protection (GAP) Insurance – Provides cover for the 'gap' between the value of your insurance payout and the amount owing on your finance or lease agreement
- Lifestyle Protection Insurance – Helps protect your payments against unforeseen circumstances, such as redundancy, illness and death
- New Vehicle Extended Mechanical Breakdown Insurance – Acts as an extension of your original Ford warranty
- Extended Roadside Assistance – Extends the premium roadside assistance which is standard on new Ford vehicles

Simply call in and see your participating Ford Dealer today.

¹ Conditions apply. Further information on these warranties and services may be obtained from your authorised Ford Dealer.

ECOBOOST

Power and efficiency

Awarded back-to-back International Engine of the Year titles in 2012, 2013 and 2014, the revolutionary 1.0L EcoBoost™ engine combines turbo-charging and direct-injection to give you a powerful drive without sacrificing fuel economy.

Feel the power, not the shift

Ford PowerShift® delivers the perfect combination between automatic convenience and manual efficiency. This 6-speed automatic transmission selects the next appropriate gear at precisely the right moment, so gear changes are effortless, with no disruption to power. The manual mode lets you switch gears at the push of a button – no clutch required.

Takes you further

Many things affect how far you can go on a tank of fuel, including the way you drive. Ford EcoMode driver information system gives you tips on how to change the way you drive, while you're driving. So you can drive more and refuel less often.

More for you

The New Fiesta has been designed to reduce your cost of ownership through improved fuel economy, without any compromise on power.

Style and confidence

The New Fiesta isn't just stylish. You'll also feel confident with great features that are designed to help protect you and your passengers.

The Ford Fiesta Intelligent Protection System (IPS) includes:

- | | |
|--|--|
| 1. Driver and front passenger airbags | 5. Dynamic Stability Control with anti-lock brakes, electronic brake-force distribution and Emergency Brake Assist |
| 2. Driver and front passenger side impact airbags | 6. Robust computer-optimised body structure with ultra-rigid safety cell and crumple zones |
| 3. Side curtain airbags for front and rear seats | 7. Pretensioners, load-limiting retractors and height-adjustable mounts on front seat belts |
| 4. Collapsible steering column and pedals for optimised protection of driver's legs and feet | |

Looking out for you

The New Fiesta's robust impact-absorbing shell encapsulates a range of intelligent safety features designed with an emphasis on accident avoidance and occupant protection.

Hill starts made easier

Hill launch assist is designed to prevent you from rolling on a hill when you move your foot from the brake pedal to the accelerator pedal. It works in forward and reverse gears.
