Go Further

Get fired up.

Start with a hot 134 kW EcoBoost turbocharged engine in a stunning 3-door body. Just for kicks throw in sports suspension, larger brakes, six-speed transmission, enhanced torque-vectoring control for outstanding handling – the works. It's a recipe for something special. Meet the fire-breathing Fiesta ST.

Exterior Colours

Spirit Blue

Frozen White

Molten Orange

Panther Black

Race Red

Prepare to be moved.

Settle into the Fiesta ST and you feel instantly connected. Recaro sports seats, leather-bound steering wheel and gearshift knob fall naturally to hand. The Sony audio system delivers crystal clear sound, while Ford SYNC lets you play music, make hands-free calls and more. Plus, our advanced MyKey technology lets you tailor the car settings to suit individual drivers – if you can bear sharing it.

Racing seats.

With world-famous RECARO® sports seats providing excellent shoulder and torso support, strap yourself in for an accelerating ride.

Automatic technologies.

Ford Smart Key, push button start, rain sensing wipers and automatic projector headlamps take the work out of driving. So you can just relax and enjoy the exhilaration.

Precision cornering.

Every corner's a thrill with a unique sports suspension system and Torque Vectoring. Plus 17" alloys with high-performance rear disc brakes help you maintain control.

Overseas model shown

Performance is in the details.

- EcoBoost Turbo engine – 134 kW / 240 Nm (149 kW / 290 Nm Overboost)
- Fuel economy – 5.9L/100km
- Unique 6-speed manual gearbox
- ST bodykit – front & rear bumpers, rocker mouldings, rear spoiler
- Unique 3 door bodystyle
- ST Suspension with lowered ride height
- 17" alloy wheels – unique ST design

EcoBoost™

EcoBoost engines turn traditional petrol engine thinking on its head. It delivers small engine fuel economy and big engine power in one. So you don't have to compromise on either, thanks to an advanced combination of twin independent variable camshaft timing (Ti-VCT), turbocharging and direct fuel injection technologies. Providing an exceptional combined fuel economy of just 5.9L/100kms, 134 kW of power and 240 Nm of torque.
